Work history

Seenit (Provided a SaaS platform to help tell stories by collecting and creating videos) – Video Editor

Shoreditch, London / Working from home, 09/2020 – now

- Created videos for customers using employees' submitted content, making edits based on notes received from the customer.
- Worked closely with colleagues to plan and execute video projects for internal and external marketing purposes.
- Helped customers conceptualise video ideas.
- Created animated graphics in line with customer branding.
- Started training as a junior developer.

YR Live (Provided a front-to-end customisable user experience to create original printed merchandise on T-shirts, bags, hats etc) – IT Support Agent

Shoreditch, London / Working from home, 10/2019 – 09/2020

- Deployed new software, rolled out updates and applied patches to client servers remotely using TeamViewer.
- Delivered an exceptional level of service to each customer by listening to concerns and answering questions.
- Carried out software tests regularly on new Unity and VVVV projects, provided feedback on bugs and improvements that needed to be made.
- Provided live remote support for events (Karl Lagerfeld, Google etc) and large scale retail operations such as Levis, Ralph Lauren etc.
- Remotely set up new PCs and printers ready for retail projects and live events.

Carved Restaurant – Sous Chef

Bexleyheath, Kent, 10/2018 – 05/2019

- Planned and directed food preparation in a fast-paced environment.
- Maintained guest satisfaction and team productivity.
- Managed a 2nd kitchen in Greenwich - this included managing stock, prep duties and ensuring the kitchen was adhering to food safety standard guidelines.
- Assisted guests by taking orders, and assisted with their menu choices in an informative and helpful fashion.

Mothercare – Stockroom Assistant

Bromley, Kent, 10/2016 – 08/2018

- Received and processed deliveries and logged products onto the system.
- Worked directly with management and sales assistants to achieve a functioning system between the stock room and the shop floor that ensured that stock was well maintained throughout the store.
- Delivered an exceptional level of service to each customer by listening to concerns and answering questions either on the phone or in person.

Direct Line Group – Data Entry Clerk

Bromley, Kent, 09/2015 – 05/2016

- Compiled and analysed data using Excel.
- Oversaw organisation, filing and retrieval of insurance claim records and incoming post.
- Analysed departmental documents for appropriate distribution and filing.

White Stuff – Sales Assistant

Dartford, Kent, 12/2014 – 07/2015

- Maintained standards on the shop floor and in the stock room.
- Offered assistance to customers with selecting merchandise, finding accessories and completing purchases.
- Fostered relationships with customers to expand the customer base and enhance loyalty and retention.

Hobbies/Interests

Bass player in a band

2015-2021

- Practiced every week, met to discuss and organise our workflow and make decisions.
- The band ethos revolved around everyone having an equal say on all matters of the band - whether that is with marketing, the musical direction or any admin decisions.

Music production

2015-now

- Self-taught music production and the necessary software to help write music for the band and my own enjoyment.
- Produced hundreds of demo songs for the band.

Education

Chislehurst and Sidcup Grammar School – A levels

Sidcup, Kent - 2013-2015

- Psychology – B
- Government and Politics – C
- History - D

Hurstmere School for Boys - GCSEs

Sidcup, Kent - 2008-2013

- 8 A-C GCSEs including English, Maths, Science and ICT
